## FROM THE EDITOR'S DESK

Welcome back to 2011, I hope everyone had a great Christmas and a good trialling break. It has also been great to see so many titles gained over the summer trials, great job to everyone who has gained a title over the summer. Which I reckon means lots of cake (including one from myself) !!!!

This is my first attempt at editing the club magazine, so I hope you all enjoy what I have to offer for the future magazines to come.

I would also like to ask anyone if they have anything they would like to contribute to the club magazine, whether it be articles, puzzles, cartoons, poems, funnies, trivia or anything dog related please forward it to me either at training or via email to: [smmaiolo@bigpond.com](mailto:smmaiolo@bigpond.com) and I will include them in up and coming issues of the magazine.

This issue includes the usual reports, end of year results from our club trophy night plus the results from the Dogs SA Agility Presentation Night. I have a new segment which hopefully you can get to know your committee and instructors a bit better. Plus puzzles and lots of other interesting goodies.

Happy Reading!!

# PRESIDENTS REPORT

Hello everyone.

Welcome back to another year of training.

This is my first year as President, having been involved with the Agility Dog Club since it's inception, I have in the past, held just about every portfolio on Committee at sometime or another, the exceptions being President and equipment officer (for obvious reasons), so now I've added President to the list I can guarantee that equipment officer will NOT be next!☺

So, having established that I have been around for awhile, I would like to think that I know a little bit about agility and agility training, so if you have a problem with the training side of your agility, please feel free to see Michelle Vuaran, our Head Instructor, but if you have any other club related problems, then come and see me, I've been told I don't bite.....much!

I hope you all enjoyed your summer break, and you and your dog have come back fresh and energised. During the break the club held two games trials one in December and the other one in February, thanks to everyone who helped out on both of those days. We also had a working bee in January, a big thank you to our committee, instructors and a couple of other members, who cleaned, cut, grinded, painted and taped the day away to make our equipment a bit more presentable and safer for the coming year. So please take care with the equipment when you are packing and unpacking the trailer so all their good work is not in vain.

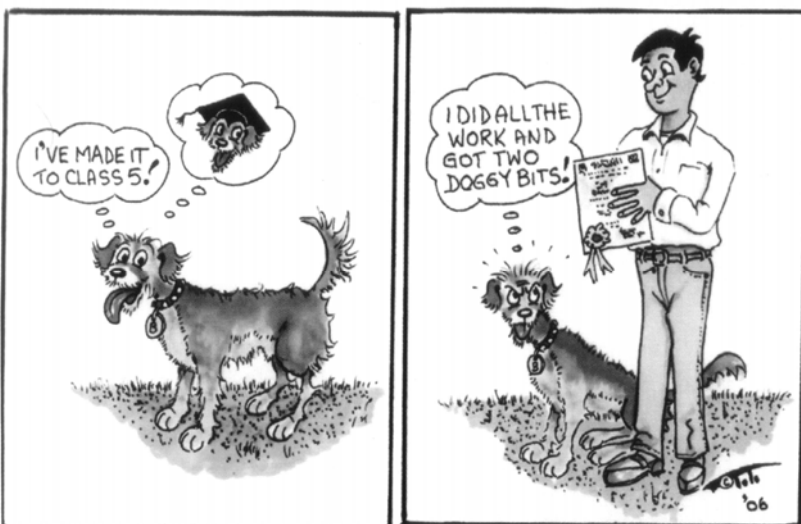

New rules come into effect on the July 1<sup>st</sup> this year, the powers that be haven't informed us yet what they are, but once we know, we'll pass on that info at announcements. There will also be some changes to the equipment, but it won't affect training or trialing as the equipment changes don't come into effect until January 1<sup>st</sup> 2012, so that gives our hardworking equipment officer plenty of time to get the changes done...

We are still looking for new training grounds, so if you know of any areas that would be suitable for us, please let us know (even better, get us a contact name or number), we are looking in the demographic of roughly where we are, but spread across to the mitchem/unley area, give or take a suburb or two. We have a relocation plan worked out, so if you want to approach anyone on our behalf, see myself or Ingrid for a copy.

We also have a new system in place for our end of year awards; a copy is on the website as well as being available at the desk. And remember, you must be financial to train and be eligible for the awards, see Leah at the desk if you have not paid your membership yet. And don't forget to add your titles to the title page on the desk so it can be announced and also placed in the magazine, you work hard for your titles, don't let them go unrecognised.

See you at training☺

*Elaine*

## COMMITTEE VACANCY

We still have a vacancy on committee, So if you have a spare couple of hours each month we would love to have you on board.

Please see Elaine or Ingrid if you would like to know a little more information.

# HEAD INSTRUCTORS REPORT

**WELCOME BACK** everyone, hope you all had a restful and enjoyable break!

This year we will be introducing a new class – “Puppies” for dogs 6 -12mths of age as well as changing the existing classes mainly in name so it may be a little confusing to start with.

- Puppies – Dogs 6-12mths old
- Beginners – Dogs 12mth and over
- Intermediate (used to be called Advanced Beginners)
- Advanced (used to be called Intermediates)
- Trialling Dogs

The new timetable is below and will commence at the end of March.

Please arrive early (around 6.45-7pm) to help set-up so we can get started on time. This allows for everyone to get a full 40 min class. At the end of the third session could all those who have just finished classes help to pack up Rings 1 and 2 immediately – there will be plenty of time for socialising once equipment is packed up, and this makes it easier for our instructors to train their own dogs too. Remember they volunteer their time to teach students so be thoughtful!

I hope you all have a great year with your dogs whether it be training or trialling and if you have any concerns please raise them with either myself or one the instructors and we will try and help.

Time	Ring 1	Ring 2	Ring 3- Agility	Ring 4 - Jumping
7:30 - 8:10	PUPPIES	ADVANCED	400	400
8:10 - 8:20	<b>ANNOUNCEMENTS</b>			
8:20 - 9:00	BEGINNERS	INTERMEDIATES	600	200/300
9:00 - 9:40	Pack Up	Pack Up	500	500

## I Want To Go Trialling

## What Do I Do Now !

#### Joining Dogs SA:-

When a member wishes to go trialling, it is compulsory to become a member of the organisation-Dogs SA. When joining Dogs SA you must also register your dog(s) that you wish to compete with. You can download an application form from the Dogs SA website : [www.dogssa.com](http://www.dogssa.com) or they are also available from the desk.

Once you have joined, you will receive a monthly Dogs SA journal/magazine. The journal contains trial schedules for up and coming trial events plus lots lots more. All schedules will contain the name of the host club, time & date, Judges, details of entry, payment and the closing date. The journal will also print trial results and title awards.

#### Entering your first trial:-

Providing you have joined Dogs SA, you can now enter trials. A dog can only start competing in agility from the age of 18 months (no earlier). One of the first things you will then need to do is arrange with the Dogs SA Agility Advisory Committee to get your dog measured to receive a height card for your dog and as long as your dog is 16 months or older you can get this done. Your dogs height card is for the life of your dog and should be taken to all trials you compete in.

A copy of the current ANKC approved agility multiple entry forms can be downloaded via the Agility SA website:- [www.agilitysa.com](http://www.agilitysa.com)

Happy Trialling!

# 'DOG TIRED'

Funny Story  
Written by George Hammond

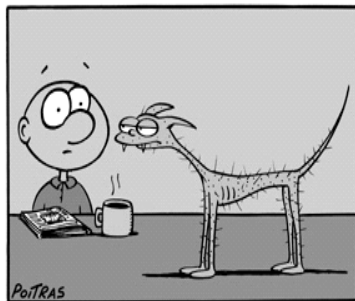

An older, tired looking dog wandered into my yard. I could tell from his collar and well fed belly that he had a home and was well taken care of. He calmly come over to me, I gave him a few pats on his head, then he followed me into my house, he slowly walked down the hall, curled up in the corner and fell asleep. An hour later he went to the door, and I let him out.

The next day he was back, greeted me in my yard, walked inside and resumed his spot in the hall and again slept for about an hour. This continued off and on for several weeks.

Curious I pinned a note to his collar, "I would like to find out who the owner of this wonderful sweet dog is and asked if you are aware that almost every afternoon your dog comes to my house for a nap".

The next day he arrived for his nap, with a different note pinned to his collar, "He lives in a home with 6 children, 2 under the age of 3 and he's trying to catch up on his sleep. Can I come with him tomorrow?"
